PAVILLION/EXHIBIT SPACE

The Exhibitor Pavilion at Adaptation Canada 2026 offers a prime opportunity to place your organization at the centre of Canada's national conversation on climate adaptation.

Located in high-traffic dining and networking areas, these inviting spaces are designed to spark engagement, foster meaningful dialogue, and create lasting connections with over 1,000 delegates from across sectors and regions.

Whether you're sharing innovative tools, promoting programs and services, or simply making new connections, your presence in the Pavilion **signals leadership and commitment** to climate resilience.

What's Included:

- A **10' x 10' exhibit space**, scalable to suit your needs;
- A custom **10' cedar screen backdrop** for visual impact;
- Choice of **furnished setup** (one skirted 6' table and two chairs or a high-top table with stool);
- Additional **exhibitor amenities** available (e.g., lounge chairs, low tables, plants, décor, etc.);
- **One complimentary full conference registration** and a discounted rate for additional registrations;
- **Recognition as a sponsor**, with customizable options for added visibility;
- **Listing on the conference website** and profile on the **conference app**, including your logo and a 50-word company description;
- **Dedicated delegate engagement** during breakfasts, refreshment breaks, lunches, and a featured Monday evening Exhibitor Reception; and,
- **Overnight security** provided for peace of mind.

The Exhibitor Pavilion spaces are available first-come, first-served and expected to sell out quickly.
